

LTTA C2 Meeting- Minute 4

Date: 20.01.2023

Note taker: Henry Viosca

Purpose of the meeting:

- To organise next meeting in Lieksa, Finland.

Agreements:

- Finnish delegation asks if we have the time to have all the presentations prepared before the meeting (in 3 weeks). Everyone says yes. They commit to send all preactivities about renewable sources on Monday 23rd.
- Finnish delegation asks if it is possible to send them the list of students that will attend that meeting (to start matching them with the host families) and our arrival and departure details in order to organise the reception.
- Finnish commit to send the programme with some clothing recommendations next week.
- Since families cannot guarantee warm meals for lunch, students will take them from the school canteen. Finnish delegation proposes to pay for all the transportations in Lieksa and in exchange each country will be responsible for the cost of lunch of their students (approximately 6€ a day per person).
- All products created by students have to be sent to Nalan (posters, presentations...)
- Italian delegation (Ferdinando) commits to arrange the project website at their earliest convenience.
- Deadline to send survey questions to Turkey is on Wednesday 25th.
